

Dear Lincoln Kids Club Family,

First of all, we want to THANK YOU for bringing your kids to Kids Club, 316 (for the older kids), and to our summer Sports Camps. It has been an *honor and privilege* to serve you and your kids.

Some of you may not know, but it is our plan, in partnership with our synod, to start a Church and Community Center in the city of Lincoln. This would be a center where we could continue to have our kids' activities, host community events and eventually church services.

We have already begun this endeavor. Last year, the Lutheran Brethren Synod, purchased land in Lincoln just a few blocks west of the Lincoln Elementary School. We hope to construct a building in the near future that will facilitate our activities and we are praying you would be willing to help us get this accomplished.

There are several ways you could help us:

1. Be willing to meet with me or another member of our church Lincoln Ministry Team to answer questions and hear your suggestions on how we could best start planning for a Church and Community Center.
2. Volunteer to be part of a Planning Committee to help us develop the action steps needed to make the Church and Community Center a reality.
3. Volunteer to help with our kids' activities in Lincoln.

If you are willing to meet with a member of our Lincoln Ministry Team, be a part of the Planning Committee or volunteer to help with our kid's activities, please let us know. We would love to hear from you and learn more about your ideas and ways you can help us.

Ways to get in contact with us:
